

Castle Hangnail is a book by Ursula Vernon. In the book, there's a party scene and an "Open House" event, which inspired this party. ~~Not endorsed, approved, or authorized by Ursula Vernon aka T. Kingfisher.~~ *(She told us we can't say that anymore.)*

This party imagines that the Open House is an annual event, and everyone from Ursula Vernon/T. Kingfisher's worlds are invited. Our menu is inspired by food mentioned in her works as well.

If you run across an empty bottle, bowl, or platter, please tell Chaz.

Please leave cups, cans, and bottles in the bus tub, especially if there is still ice or liquid in them. Only put empty containers in the waste-baskets, because they're often turned upside down to dump them.

THANK YOU!

I greatly appreciate the help, assistance, contributions and inspiration from my friends and acquaintances, including Alestra Burdick, Sue Dawe, Dana Ginsberg, Crystal of Hightower, William Lee, Rita Loy, Liza Neville-Olson, John O'Halloran, Kirk Van de Walker, Melody Vito, William Westfield, and of course Ursula Vernon.

WHO'S IN CHARGE HERE? WHO'S PAYING FOR THIS?

This party is not sponsored by any convention or other organization. I'm just this SoCal guy who wears teddy bear ears when he goes to conventions. After many years of attending conventions, volunteering at & staffing conventions, starting a new convention and chairing that convention for eleven years, I've realized what I like to do is feed people and provide a welcoming space for gathering in.

I don't ask for payment or a "recommended donation." But if you'd like to contribute, the tip jar is on the bar. Thanks!
